

Bio-Rad CFX384 Touch™

For the Bio-Rad CFX384 Touch™ Real-Time PCR Instrument, affix the Emergency Use Only (EUO) label on each instrument and retain this labeling throughout the Emergency Use Authorization (EUA) use of the Bio-Rad CFX384 Touch™ Real-Time PCR Instrument:

1. Download (at <https://biogx.com/xfree/> - Follow the link 'Emergency Use (EUO) Instrument Label' under the 'Product Documents' section) or print the following EUO label:
Emergency Use Only - This instrument is authorized for use with BioGX assays that have received Emergency Use Authorization.
2. Visibly affix the EUO instrument verification label on your Bio-Rad CFX384 Touch™ Real-Time PCR Instrument(s). If the instrument includes labeling indicating "For Research Use Only", cover with the EUO instrument verification label.
